PROFILE

Senior UI designer with 20 years of experience across visual design, web and digital products. I design interfaces and the systems behind them, connecting clear information architecture, reusable components and practical implementation. When a tool is missing, I build it.

EXPERIENCE

Senior User Interface Designer

Candid

May 2026 - Present | Remote, North America

- Design interfaces and reusable patterns for products serving the social sector, including a new design system.
- Design AI-enabled experiences that make confidence, explanations, feedback and human review understandable.
- Collaborate with product, engineering, UX and marketing teams on accessible, responsive and consistent digital experiences.

Web Production Specialist | UX/UI & Web Design

Konica Minolta Business Solutions U.S.A., Inc.

May 2024 - May 2026 | Ramsey, New Jersey

- Owned UI and design-system work for the enterprise website redesign, including responsive navigation, product and support experiences.
- Designed BlueIrisIQ's information architecture and interface, and developed its website in Framer.
- Owned and extended KOMI, adapting an existing library with new variables, design tokens and reusable components.
- Built an AI-assisted script to extract information from 67 PDFs for 137 products, followed by tools for CMS and form workflows.

Senior UX Designer

Venture Capital Company

July 2022 - September 2023 | New York

- Designed web and mobile experiences, from user flows and information architecture to wireframes, dashboards and interactive prototypes.
- Worked with cross-functional teams to turn requirements and user feedback into clear, functional interfaces.

CORE SKILLS

UI design; interaction design; design systems; design tokens and variables; information architecture; wireframing; prototyping; responsive web design; usability testing; accessibility; AI interface patterns; design-to-development collaboration.

Tools: Figma; Framer; Webflow; WordPress; HTML and CSS; Adobe Illustrator, Photoshop and InDesign; AI-assisted workflow automation.

EXPERIENCE, CONTINUED

Senior Web and Graphic Designer

Eye Level Learning

July 2021 - July 2022 | New Jersey

- Designed websites and branded digital and print materials, working with stakeholders and technical teams from concept through delivery.

Senior Visual Designer

Self-employed / Freelance

January 2006 - May 2024 | Italy and United States

- Delivered visual identities, websites, mobile interfaces and Figma prototypes for clients, alongside agency and in-house engagements.

Senior Graphic Web Designer

Bilogic

February 2013 - March 2022 | Contract, Italy / Remote

- Created web, branding and campaign materials; managed design delivery and client feedback across multiple projects.

Additional engagements

Designity - Senior Graphic Designer, Freelance | October 2020 - December 2021

L'Arte del Gelato - Senior Graphic Web Designer | July 2019 - July 2020

ParkSocially - Marketing Graphic Designer, Contract | July 2019 - November 2019

Pravda Collective - Senior Graphic Designer, Part-time | February 2019 - September 2019

SELECTED WORK

KOMI / Konica Minolta / BlueIrisIQ - Enterprise interfaces, reusable foundations and website implementation.

Befood - Personal food-information product: app and website design and development. Website live; app in beta / review in the September 2026 project update.

BandWith - Personal product for live-music planning and quotations. In development.

SPLEET / Spotify notch widget - Independent interface concepts and interactive Figma prototypes.

EDUCATION & PROFESSIONAL DEVELOPMENT

Centro Studi Ilas - Diploma of Education, Advertising and Marketing | 2002 - 2003

Google UX coursework: Foundations of UX Design (2022); UX Design Process (2023); Wireframes, UX Research, and Design for Social Good (2024). Webflow: CMS, Layout 1, Layout 2 and Webflow 101 certifications (2024).
